“I have been a customer of yours for years now, and I am really impressed with the good quality of your products. Thank you!”
Idah Morwaledi via Facebook

Eterna 43L grill/convection microwave
You can save up to 50% of your cooking energy costs by using a microwave rather than a conventional oven.

Infinia 38L grill/convection microwave

Spectrum 30L grill/convection microwave

Why you'll love our grill/convection microwaves

Microwaves have always been on hand to help heat food at the touch of a button – but now, thanks to **state-of-the-art technology**, they can do so much more. With the addition of a **grill function**, and a **convection fan** that distributes heat evenly throughout cooking, our grill/convection microwaves can **do everything that regular ovens can do, but faster**, and with far more **energy-efficiency**. One touch is all it takes, and dinner is served in minutes.

Our microwave range

Whether you want to reheat leftovers or cook a full roast meal from scratch, we've got the perfect microwave to suit your needs.

| | capacity | watts | grill | convection |

Why you'll love our Entertainer urns

Holding tea parties for large groups can be lots of fun, but it's difficult to keep up if you're constantly having to boil the kettle! That's why you'll love our convenient entertainer urns – just fill them up and your guests can serve themselves – leaving you to socialise to your heart's content. Plus concealed elements in our urns mean you can fill them directly with tea or coffee, making things even easier for you and your guests.

"I love the 20L urn I bought. I use it for gatherings to make tea and coffee, and I also use it to heat up water to do the dishes with."

Zodwa Mabaso – winner of the 2011 Super-Million Grand Prize Draw.
