# Must-have blackout curtains

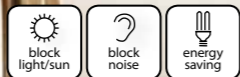

Plain blackout (front)

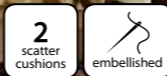

Use your plain blackout curtains on their own or....

Decorative blackout

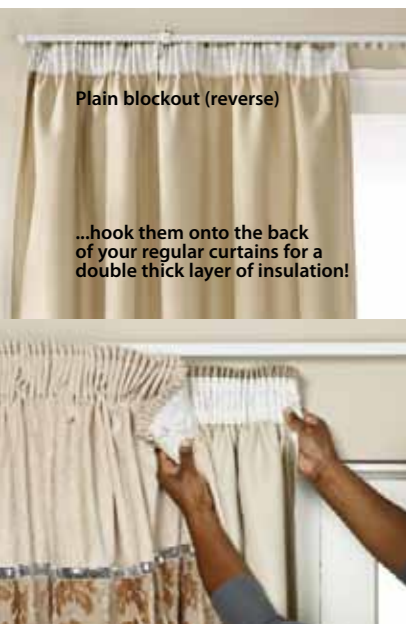

Chantal

Sets from only **R67** a month

*Nothing finishes a room quite like matching scatters.*

Demi

Plain blackout (reverse)

...hook them onto the back of your regular curtains for a double thick layer of insulation!

## Blockout curtains

For lazy lie-ins with no distractions, choose a set of blockout curtains. The densely woven fabric blocks out sunlight and reduces noise, giving you perfect, uninterrupted sleep.

**Plain blackout:** Designed to hang behind existing curtains as a lining blockout.  
**Decorative blackout:** Stand-alone curtain with embossed motif on silver and gold two-tone fabric. Includes tie-backs.

**[58761] Plain blackout 2-piece set**

*Why you'll love our curtains*

Used for years as purely functional items, today curtains are just as important as any other design element in your home – which is why we've ensured that ours are crafted from only the most luxurious fabrics and ornamented with exquisitely worked embellishments. We've also continued the co-ordination you love by including **matching tie-backs** in our sets, and extras such as **scatters**, swags or valances. Add to that the **free curtain hooks** we also provide, and you have a set that's as fabulous as it is functional.
