Why you'll love our cutlery canteens

A cutlery canteen is more than a box of utensils – it's an heirloom to be treasured, and handed down through the family from mother to daughter. It's with this tradition in mind that we have designed our cutlery canteens, each piece intricately crafted from the finest stainless steel, and resting in its velvet-lined place within a glossy wooden canteen. Simply opening it is a special occasion – receiving it as a gift is an honour.
