The perfect night's sleep, designed just for you.

What goes into a HomeChoice mattress:

- (a) Woven jacquard ticking followed by a thick quilt.
- (b) A thick 3cm layer of high density virgin foam that keeps its shape.
- (c) A durable 600g insulator layer to prevent wear and tear on the springs.
- (d) A conical Bonnell-spring system reinforced with helical and edge wire to guarantee no sagging, no lumps, and no hollows.
- (e) More high density virgin foam and a 4mm steel edge frame for extra support.
