Camden luxury comforter set

Kirsch tape curtain set

Our style suggestion

Make Camden's rich colours the centrepiece of your bedroom by contrasting its plum tones with chrome and black accessories. Simple black furniture will make Camden's ornate embroidery stand out even more, while chrome vases and ornaments will reflect its lavish fabrics perfectly.

JACQUARD FABRIC EASY-CARE

Our style suggestion

Continue Sirocco's bold feel with dramatic bedroom pieces to complement its striking look. Furniture in dark colours, such as mahogany, cherry and oak, will create the perfect background, while accessories in red and mustard will add much-needed splashes of colour to the imposing atmosphere.
